## **Acknowledgement of Payment/Fee Policies**

**Tuition:** The one-day program is \$92.00, the two-day program is \$184.00 and the three-day program is \$275.00. Payment is due at the first of each month and is necessary to hold your child's spot, which means that if the child is absent, regardless of the reason (vacation, illness, etc.) the payment is still billed for that time. Accounts that are 15 days delinquent can result in the child's removal unless previous arrangements have been made with administration. Unforeseen circumstances do take place on occasion that can cause undue hardships on a family. Please let us know if there is anything Community Kids can do to assist in these times.

**Withdrawal:** A two-week notice is requested in writing when a child is to be withdrawn.

**Registration:** This fee is non-refundable and is required to reserve a place at the time of enrollment for summer and fall. Fall fee: \$50.00 Summer fee: \$30

**Supply:** This fee is non-refundable. It is due at the time of fall registration for the first semester of the school year and again at the beginning of the second semester. There is no supply fee for the summer program.

2yrs-5yrs ~ \$50 per child per semester
